Short Concert for Organ and Trumpet (Duration 45 minutes)

The Dresden Church of our Lady "Frauenkirche" has a very long history. It was totally destroyed near the end of the World War II. The ruin was remaining as a memorial for Dresden. It was reconstructed and took more than 11 years to re-build the church. In October 2005 the church was opened and accessible to all guests, who estimate the beauty of the place as well as the message of peace, conciliation, belief and tolerance. Enjoy the ambiance and be impressed by the magnificent architecture of this building during a concert.
